

White Sangria with Tuaca

Author: My concoction from about 3 different recipes

Description: Very refreshing, but it does sock a punch if you drink too much!

1. Chill the wine, orange juice, Tuaca, and limoncello for a few hours or overnight. (You can combine those ingredients in a pitcher to start.)
2. Add the sugar, stir to dissolve the sugar, then add sliced fruit (you can use oranges, lemons, limes, peaches, mango, pineapple), and chill for another hour.
3. Add the 7-up (or Sprite) just before serving. Stir and pour over ice into small glasses (about 8 ounces) and serve.

2 cups fresh orange juice

3/4 cup Tuaca

1/2 cup limoncello
